*DEDICATION
CAPT. TIMOTHY HOWARD*

The Beacon Staff proudly dedicates the 1984 Beacon to Marine Capt. Timothy B. Howard, a 1973 graduate of College of The Albemarle. Howard's heroic actions in the Grenada invasion on October 25, 1983 were beyond the call of duty. Piloting the leading attack helicopter, Howard and his co-pilot were shot down on their fourth pass over St. George's Medical Center. As a result, he lost his right arm and his right leg was seriously injured. Despite his ordeal, Howard has maintained a strong sense of personal dignity. We at COA commend Howard for his bravery, and hope that he can be a source of inspiration for us all.

STAND OUT FROM THE CROWD THE PRESIDENT OF C.O.A. J. PARKER CHESSON JR.

Dr. Chesson is a person strongly dedicated to the principles of higher education, and he has been with COA through most of his career. Having first joined the COA family as a biology instructor in 1964, Dr. Chesson worked his way up through the ranks to become College President in 1975. He is highly respected by faculty, staff, and students alike, and he is known as a strong advocate of our school both in the community and throughout the state. Although he stays busy with administrative affairs, his door is always open to the students and staff of COA.

THE OLD SALT

The goal of the Old Salt is to report pertinent information on campus events, administrative activities, community events, and decisions that effect our school and student body. The Old Salt presents factual journalistic viewpoints to the Albemarle Community and the state.
Advisor: Robert Stephens
Editor: Rande Banks

ARGUS

The Argus compiles a collection of poems, short stories and other literary works, written by COA students, for publication in the Spring.
Advisor: George McKecuen

COPAD

COMPUTER OPERATED PROCEDURE AND DESIGN

COPAD (Computer Operated Procedure and Design) Club is the new kid on the block. It was formed this year to bring together people who are interested in computers and computer science. COPAD's activities included a trip to NASA, and a Bake Sale. Future activities include a Computer Day, and in Spring, a trip to the Research Triangle in Raleigh.

BAND

The COA Pops Band was newly formed this year under the direction of Ray Scaffa. They have made their presence known by performing on campus with the chorale in the library and in the student center. They also performed in the Christmas parade on the COA float.

BEACON

The Beacon consists of a group of talented and dedicated individuals, whose work during the year has been consistant, in hopes of producing a better annual; that expresses and shows the students in a unique way, both at leisure and at work.

COSMETOLOGY

Starting in January of 1971, cosmetology joined COA. Mrs. Vazelle Jessup started this course, as instructor of students. She taught the beginners as well as the advanced students. Mrs. Betty Burry accepted the responsibility as instructor of beginners in April of 1981, due to Mrs. Jessup's retirement. Cosmetology students participate in various activities, such as bake sales and raffles, to raise money so that they may attend hairshows. At hairshows, they observe new styles, cuts, color techniques, perms and methods of applying these to the latest styles. They are shown new products and their effectiveness, so that they may keep up with the ever-changing trends.

PHI BETA LAMBDA

Phi Beta Lambda Club went to a convention at Wingate College in Charlotte, N.C.

There it competed in competition with other colleges throughout the state. They have held bake sales to raise funds for various activities. They are sponsoring a convention in February here at COA.

Advisor: M. Whit

PNE

The Practical Nursing Education Club works with the nursing dept, holds health Seminars, and blood pressure labs. Their activities include car washes, and Bake Sales to raise money for their pinning ceremony in May.

Advisor: Betty Jones

President: Judy Hargett

THE STUDENT

SENATE

STUDENT SENATE

The purpose of the Student Senate shall be to promote good citizenship, to plan and initiate the activities sponsored by the senate; also to stimulate interest in College life both on the campus, and in the community. This year's activities included both formal and informal dances, student-faculty baseball games, contests, auctions (which raises funds for the special olympics), Theme Day activities, and special performances by a variety of musical groups. The Student Body is represented on all school committees by a designated senate member. The COA float once again claimed 1st place in the Elizabeth City Christmas parade. The Student Senate is a strong and viable part of the N.C. Comprehensive Community College Student Government Association, and we contribute greatly to its success.

RAIN"

"LAUGHTER AND TEARDROPS"

VISITING ARTIST CLIFFORD TRETICK

With his 14 carat gold flute, Clifford Tretick is fast becoming a flutist that audiences are demanding to hear again and again. He started playing the flute at the age of 9 and by the time he was

12 he had won 1st place in three competitions. His first formal studies were done at the N.C. School of the Arts and to further his musical training he attended the Oberlin College Conservatory. Competitions and

Scholarships include:

Named by the 1981 National Flute Association Competition to be internationally one of the top three flutist under the age of 27, Winner of the Indiana-Aspen Scholarship Competition, Recipient of the prestigious Nancy S. Reynolds Merit Scholarship, Winner of the 1981 N.C. School of the Arts Concerto

Competition, Full fellowship to the Bach
Aria Festival and Institute. Tretick's
concert engagements include: 1976,
'77, '79 toured Italy and Germany with
NCSA International Festival Orchestra,
Numerous appearances on PBS, cable
and major network television, Soloist
with Aeolian Chamber Players, Onyx
Contemporary Chamber Ensemble,
North/South Consonance, North
Carolina Symphony, Canadian Bach
Retreat Music Festival, etc.

LAHNN/LOFTIN

Lahnn and Loftin is a new duo which has brought audiences to their feet from its inception. Chaz Lahnn & J.K. Loftin joined in the summer of 1982 and immediately won the hearts of concert audiences and coffee house patrons across the South. From the powerful vocals and inventive 12-string guitar of Chaz Lahnn to the emotionally charged electric guitar and vocals of J.K. Loftin, Lahnn and Loftin create a compelling and entertaining blend of soothing ballads, enjoyable medium energy tunes, and rockin' high energy songs which COA students enjoy more with each performance.

BRIAN HUSKEY

Brian Huskey has been known to call himself a singer, songwriter, entertainer, and all around nice guy, and his shows at COA have proven that he fits the bill well. Having toured the Southeast extensively, Brian is at home playing in smoke-filled bars as well as in brightly lit college unions, and he has opened shows for well-known acts such as Firefall, Emmylou Harris, and Juice Newton. In songs such as, "I'm Proud to be a Redneck from Dumas, Texas," Brian offers keenly insightful social commentary, and his version of "(You're My) Hemorrhoidal Honey", left not a dry eye in the crowd. With each visit, Brian Huskey brings another brief flash of warped brilliance to COA.

JOHN MORRISON

John Morrison is a local attorney who took time out from his busy schedule to explain and interpret the Safe Roads Act to students and staff of COA. The new law, which came into effect in October of 1983, entailed a major reconstruction of drinking and driving laws in North Carolina, and Mr. Morrison's explanation of the changes from a legal perspective enabled students to understand more easily how the law could affect them. Thanks to Mr. Morrison for the valuable information that ignorance of the law is no excuse.

BIG ZUCCHINIS

No, the Big Zucchini Washboard Bandits are not a pack of wild-eyed vegetarians who take pleasure in pilfering laundry implements, as their name may imply. They are, however, a unique threesome who play high-energy, good-time music including U.S. folk music, country, swing, Appalachian fiddle tunes, and greasy blues. They are all members of the renowned Cambridge Harmonica Orchestra, and have often appeared on local and national television programs. COA students kicked up their heels to this unusual performance, and many horizons were expanded on the day the Big Zucchiniis came to town.

FRESHMAN ELECTIONS

The Freshman Class Officer elections were held in October/'83 and resulted in a run-off election with the following results: Amy Steinert — President, David Mason — Vice President, Donna Frazier — Secretary/Treasurer. The other senate seats have been filled by Rande Banks, Steve Vaughn, Sheila Lupton, Paulette Myers and Melissa Palis.

SOPHOMORE ELECTIONS

The Sophomore Class Elections were held in the spring of '83. Jim Timmerman was elected President, Dawn Swain — Vice President, Judy Jordan — Secretary, Alethia Nash — Treasurer, Richard Banks — Parliamentarian, Chris Meekins — Sgt-at-Arms, and Chris Krainiak — Historian. Phil Cameron was elected by the senate to the position of Executive Senator.
